

Re: 12.1 of the Minutes of the Association's Assembly (re. Newsletter Vol XI). Our members should be made aware that the Newsletter/Bulletin was never under the jurisdiction of the journal and that its production has always been, and continues to be, an independent operation. I ceased to be editor of the Newsletter/Bulletin at the time of the journal's inception. The discussion about the Newsletter/Bulletin which took place at the editorial meeting was, therefore, of a consultative nature only.

Respectfully,

(signed) Milan V. Dimić
